Sprint 2 Report

Product name : AMAZINO
Team name : Brokers

Actions to stop doing:
- None
    - We completed almost every tasks for this sprint

Actions to start doing:
- Requesting reviews on done tasks

Actions to keep doing:
- Keep our scrum and development meeting times
- Keep updating scrum boards when we have updates on our site.
- Asking other team members for help when stuck

Work completed/not completed:
- Complete
    - (5) As a buyer, I need to be able to bet for the product with my own point.
    - (3) As a buyer, I need to charge points / be able to pay money for stuff
    - (8) As a dev, I need to have a fair drawing algorithm for deciding the winner.
    - (1) As a seller, I need to set the due date to get back my registered item.
    - (5) As a dev, I need a logical database schema for managing the website functions.
    - (8) As a buyer, I need a set due date to get my points back if the item is not raffled.
- Not complete
    - (1) At dueDate, delete listing from database, and from the seller's item list.

Work completion rate:
- 30 / 31 story points completed
- 96.77%
- 7 days for sprint 2
